

TRACI PARK

LOS ANGELES COUNCILWOMAN ★ 11TH DISTRICT

March 3, 2023

Denny Schnieder, Chair
LAX Community Noise Roundtable
1 World Way
Los Angeles, CA 90045

Subject: CD11 LAX Community Noise Roundtable Request

Dear Denny,

Thank you for your leadership in the aviation space working to address the needs of concerned citizens both in the City of Los Angeles and beyond. As you know, the challenge to address aircraft noise pollution in our complex and congested Southern California airspace requires deep understanding of technical and operational procedures that the Federal Aviation Administration (FAA) administers.

Within the agency there are multiple groups that oversee the planning, design, and operation of our airspaces. In order for citizens to effectively work with the FAA to address the noise pollution aircraft operations create, it is important for them to have a representative that advocates on their behalf on entities like the LAX Community Noise Roundtable. With LAX being a part of the 11th Council District and having so many of my constituent communities as direct neighbors to the airport, it is imperative that my office be able to fulfill our representative duties to our constituents through actively participating in the LAX Community Noise Roundtable.

It is in this spirit that I request that Star Parsamyan, my Chief of Staff, be admitted as a member of the LAX Community Noise Roundtable, and Jacob Burman, my Senior Advisor, be admitted as an alternate member.

Thank you again for your tireless efforts over the years as we look to address the many pressing needs of Angelenos together via the LAX Community Noise Roundtable.

Very truly yours,

TRACI PARK
Councilwoman, 11th District
City of Los Angeles
