

BuildLAX ACADEMY

Los Angeles World Airports (LAWA), owner of LAX and Van Nuys Airports, presents the **BuildLAX Academy** in partnership with the Contractor Development and Bonding Program.

BuildLAX Academy is designed to provide small contractors support and preparation to address the challenges they may encounter accessing contract opportunities on LAWA projects.

BuildLAX Academy will prepare contractors to successfully:

- ✓ Navigate LAWA's procurement process
- ✓ Comply with contract requirements
- ✓ Strengthen their contracting capacity

BuildLAX Academy is FREE.

Now accepting applications for the next workshop series.

Seating is limited.

Your participation in BuildLAX Academy cannot ensure a successful bid or contract award of a LAWA project.
