

## LAWA SPECIAL EVENT REQUEST

Dear LAWA Tenant:

In general, special events are not classified as permitted uses in Tenant Leases, Concessions Agreements, and the Los Angeles International Passenger Terminal Tariff. Therefore, all tenants must request approval from Los Angeles World Airport (LAWA) for special events including media or public relations events at airport facilities.

It is the Tenant(s)/Requester(s) responsibility to coordinate with the appropriate LAWA Division(s), Tenant or other Government agencies for resources and signage to be used at the event.

To properly notify LAWA of proposed special events, please complete the Special Event Notification Form/Letter (attached) and send to the appropriate LAWA Representatives for the airport at which the event will occur:
