1. Hawaiian Airlines: Relocation to Terminal B

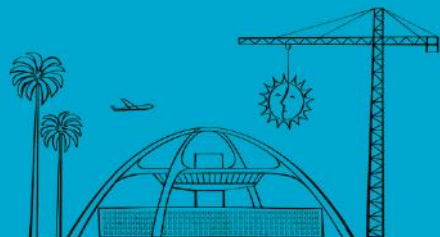

- Hawaiian Airlines will relocate all operations from Terminal 5 to Terminal B (Tom Bradley) effective Tuesday, October 12, 2021
- Permanent signage will be changed to reflect this relocation; temporary signage is currently in place to assist with pedestrian and vehicular wayfinding

Hawaiian Airlines Relocated from T5 to TB effective 10/12/21

Change is in the Air(port).

LAX WAY BETTER. REALLY.

2. Parking Structure 2A: Full Closure

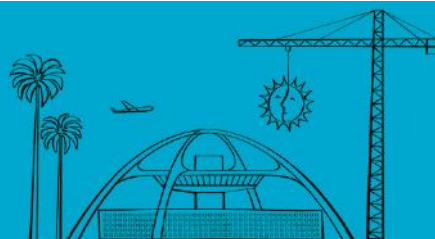

- Work for the ongoing Smart Parking Project will fully close Parking Structure 2A through Tuesday, November 2; vehicles can still egress the structure if currently parked there
- Work over the span of the project will include painting, installation of a Parking Guidance System, and other civil modifications
- During these dates (10/11 – 11/2) Parking Structure 3, Level 1 will also be closed to all vehicles except Taxis and CBP Vehicles; public passenger pickup, including charter vehicles, will not have access
- ABM Staff will be present to assist with all operations; Signage will be posted to assist with alternative parking options and detours

PS-2A: Closed 10/11 – 11/2
PS-3 L1: Restricted 10/11 – 11/2

Change is in the Air(port).

LAX WAY BETTER. REALLY.

3. Landside Access Modernization Program: Construction Updates

- The Intermodal Transportation Facility-West (ITF-W) is scheduled to open to the public next week on Tuesday, October 19; upon its opening it will be known to the public as “LAX Economy Parking”
- The Automated People Mover (APM) train guideway is at 75% completion with three guideway sections left to be connected: (1) over Century Boulevard, (2) over Sepulveda Boulevard, and (3) between the Center and West Central Terminal Area stations
- The Consolidated Rent-A-Car (ConRAC) facility has less than 1% of concrete left to be poured; when it opens (scheduled: 2023) it will be the largest rental car facility in the world

ITF-W / LAX Economy Parking

APM Guideway to be built over Century Boulevard
