#2 STREET IMPACTS: WESTBOUND CENTURY BLVD SEPTEMBER 20 - 23

A portion of the sidewalk along Avion Dr will not be accessible from Century Blvd; pedestrians at this area (Sheraton, Skyview) will be directed to use 98th St.

To facilitate civil construction for the APM Project, westbound lanes on Century Blvd at Avion Dr will be restricted Fri. 9/20 through Mon. 9/23 with at least two lanes of WB Century Blvd maintained at all times. Flaggers and signage will be in place to facilitate vehicular and pedestrian traffic.

PLEASE NOTE:

Additional phases of work are scheduled at this area; watch Construction Hot Topics for more information.

#3 TERMINAL 4 IMPACTS: PED BRIDGE CLOSURE & BARRICADE REMOVAL

Please be advised of the following major construction ongoing at Terminal 4 throughout the next month as crews work to (1) demolish the existing pedestrian bridge at Terminal 4 / Parking Structure 4, and (2) remove Arrivals Level curbside barricades between Terminals 4 & 5.

As part of the APM Project, the existing pedestrian bridge between T-4 and PS-4 is now permanently closed for demolition (scheduled for mid-October 2024); alternate routes and detour signage are in place between T-4 and PS-4.

As work on the American Airlines T4/5 Modernization Program progresses to its next stage, curbside Arrivals Level barricades and the temporary sidewalk extension are scheduled to be removed over the coming weeks. Watch Construction Hot Topics for more information about future phases of work for this project, including impacts, changes to path of travel, and more!
