TERMINAL 4: SOUTH CONCOURSE OPENED

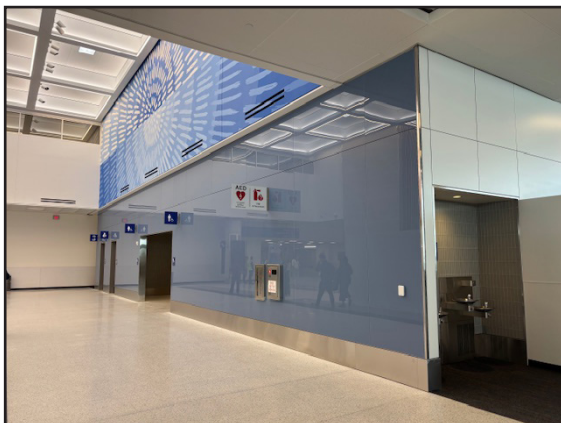

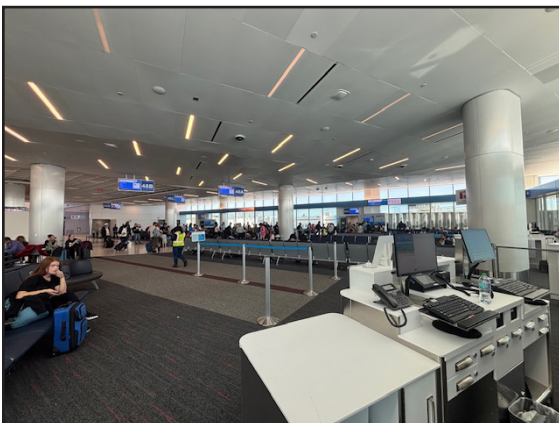

The south portion of the Terminal 4 Concourse has re-opened to the public as part of American Airlines' Terminal 4/5 Modernization Program. New airline gates and holdrooms are operational, as well as new concessions including The Market (south concourse) and a temporary Starbucks location (central concourse). The south concourse also features upgraded restrooms, access to Bus Gates, and artwork installed throughout.

Watch Construction Hot Topics for more information about Terminal 4 impacts as this program progresses through future phases of work, scheduled for overall completion in 2028.

TERMINAL 4: AIRLINE GATES 47A & 47B CLOSED

Airline Gates 47A & 47B are closed to facilitate construction activities related to the next phase of work for the American Airlines T4/5 Modernization Program. Gate 47A is scheduled to re-open on January 7, 2025 and Gate 47B on February 10, 2025. Watch Construction Hot Topics for more information about Airline Gate openings and closures.

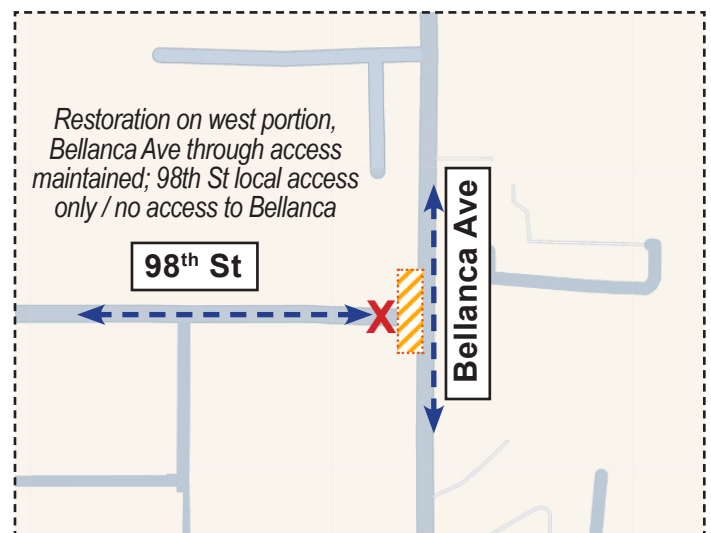

#3

BELLANCA AVE AT 98TH ST: LANE RESTRICTIONS

To facilitate pavement restoration by the Roadway & Utility Enabling (RUE) Project, lane restrictions will be in place at the intersection of Bellanca Ave and 98th St beginning Friday, November 1 at 9PM continuous through Monday, November 4 at 6AM.

Lanes on the west side of Bellanca Ave will be restricted, with no through movement allowed from 98th St to Bellanca Ave. North / south movement along Bellanca Ave will be maintained at all times, as well as local business access down 98th St.

Please watch for posted signage and always use caution when traveling near construction areas.

#5 OCTOBER 2024: 24/7 CTA LANE RESTRICTIONS

The map below is a collective snapshot of all scheduled 24/7 lane restrictions for CTA Departures and Arrivals Level Roadways for the month of October 2024.

PLEASE NOTE:

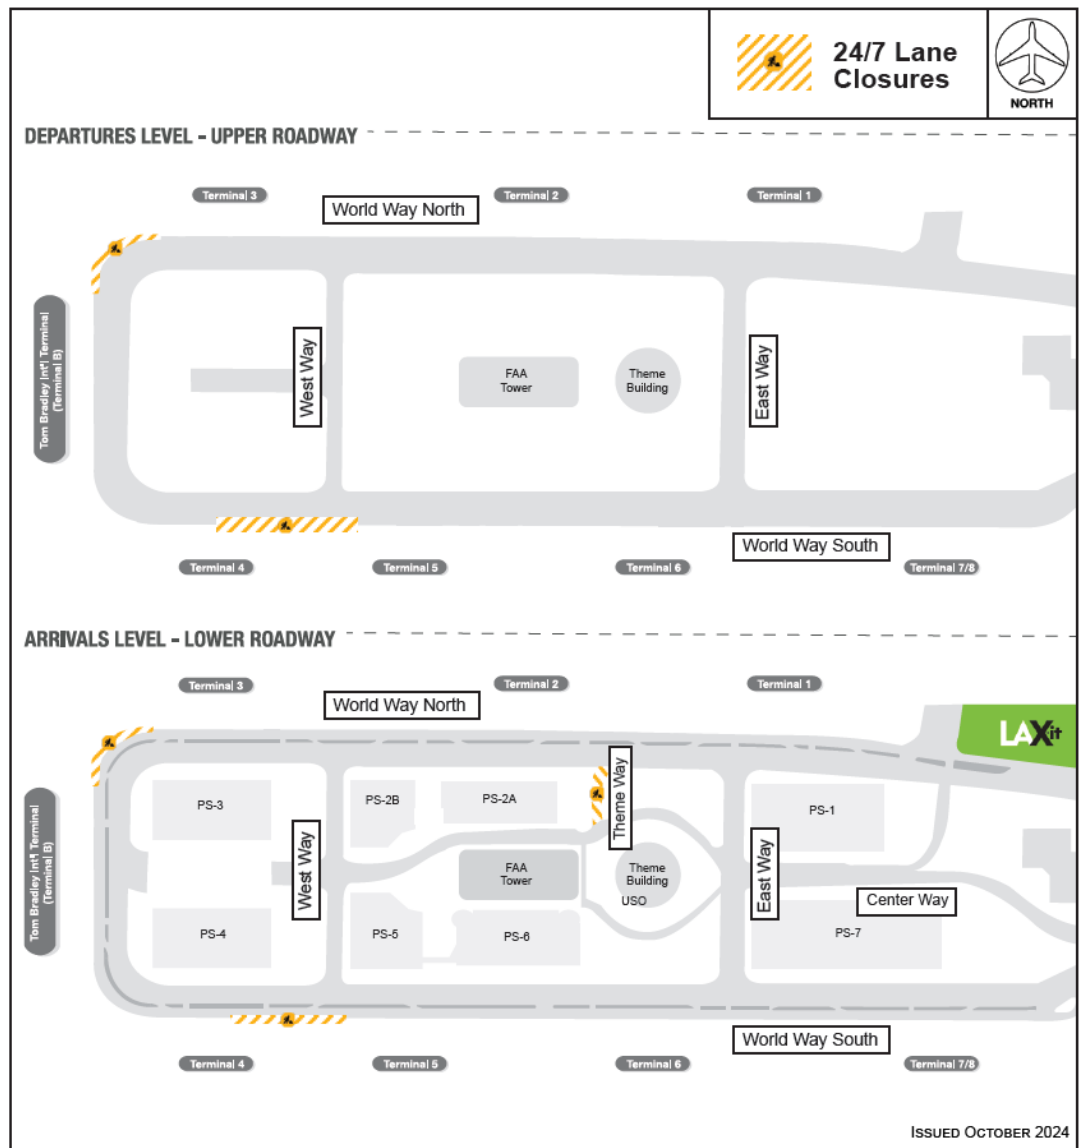

This map only reflects 24/7 continuous lane closures in the CTA; other nightly lane closures / sidewalk restrictions may be in place to facilitate construction activities.

ACCESS MAINTAINED:

Traffic around the Central Terminal Area will be maintained at all times, as well as access to passenger pick-up and drop-off.

PLAN AHEAD:

Motorists should plan ahead for potential delays.
